

SIS/ACD/Cir/03-19/01

Date: 31.03.19

Dear Parents,

Greetings from Samashti!

A warm welcome to academic year 2019-20. We would like to bring a few points to your notice:

The Samashti theme for this year is 'CHANGE'.

C- Culture

H- Holistic Development

A- Adaptability

N- Need of the hour

G- Goal Setting

E- Engagement and Empowerment

Following the tradition set in place last year, children may come in mufti (colour dress) from April 1 to April 9th. Since the children will be involved in various activities they should wear cool, comfortable clothes and socks and shoes. We recommend jeans/trousers and comfortable tee shirts and socks and shoes. (No long frocks, gowns, lehengas, slippers please!).

II. The details of things to carry to school on the first two days:

Day 1: All textbooks received.

Day 2: All notebooks received.

All belongings are to be properly LABELLED.

The session begins on 1st April. In a sudden development, the Election Commission has requisitioned for Samashti buses for election duty. Since the buses have to be at their disposal from 10th morning to 12th early morning, the school will work only upto 9th April. As already intimated, from April 1st to April 9th, the school will work for half-days as per Telangana government directive. The buses will leave the campus, after the students have had their lunch, at 1:20 pm.

Happy Schooling!

Educationally Yours,

Team Samashti.
