Dear Parents,

Greetings from Samashti!

The academic year 2018-19 has quickly rolled by. Your children are now ready to move into primary school. As you are aware, the children have to learn a second and a third language from Grade 1.

As per the directive from Telangana Education Department, the children of grade 1 have to opt for Telugu either as the second or third language. Following are the options of languages offered under second and third languages. Kindly choose the options for your child, in the form given below and submit the same by 13th March,2019.

Languages offered
