

SIS/ACD/Cir/03-19/52

Date:13.03.19

Dear parents,

Greetings from Samashti!

Please find below the details of the main championship event of Techradiance 2019:

*The main championship event is on **13th & 14th April -2019.***

**Venue: IIT Bombay**

*This year, Techradiance-2019 has 5 different parts covering all the aspects of the competitions to be held. They are:*

[National Level Junior Championship\(Hardware\)](#)

[National Level Junior Championship\(Software\)](#)

[Senior Level Championship \(Hardware\)](#)

[Championship for ME / Civil Branch](#)

[Championship for CS / IT Branch](#)

Students who were the **zonal winners** in the workshop conducted at school in August 2018 are eligible to participate in the **National Level Junior Championship ( Hardware).**

Apart from this, Techradiance is also offering an opportunity for all students other than the zonal winners to participate in an open round, the details of which are as follows:

***Techradiance National Open Round:*** *For all the participants of Techradiance 2019 who were not able to win at zonal round & keeping in mind the students who couldn't get a chance to participate in the zonals, a separate **Open-Round** will also be held from where they can qualify to take part in the finals. This event is open for all Indian participants. **All Students, Participants of Techradiance, Hobbyists, Competitions takers can participate in this event.***

The final round details will be available on the official website of event: [www.harbourtech.co.in](http://www.harbourtech.co.in).

For all details regarding the final round guidelines, general guidelines, finale round competition game arena or for any other query you may visit the above-mentioned website.

In case your ward is interested in participating in this event, you may please refer to the website and go ahead.

Educationally yours,

Team Samashti.
